

Early Years Stars

Friday 24 November 2023

As part of this year's Stars in Our Schools, there will be a special focus on support staff working in early years settings. The first years of a child's education are crucial to their development, and early years staff play an important role in this. It's time to value the staff who have a positive impact on children's learning from the very beginning – our 'Early Years Stars'.

Join us on 24 November 2023 as we celebrate support staff to say thank you for all you do. There's lots of ways to join in from award ceremonies, special assemblies, tea parties and more.
